NOISE

A Noise Management Plan (NMP) will be submitted as part of the event planning process. We will manage the event to this plan.

NMP will be agreed with London Borough of Hounslow Environmental Team (per licence conditions). Ealing Borough will be consulted as part of the planning process.

Monitoring provided by the industry's leading acoustic consultants, using responsive system with little in-built delay.

Soundchecks: Thursday 11 July: 3:30pm - 6:30pm
 Saturday 13 July: 10:00am - 12:00 midday
 Sunday 14 July: 10:00am - 12:00 midday

Site build and de-rig working hours are 8:00am - 6:00pm

White-noise reversing alarms will be used for site machinery (where possible)

Key Changes:

Chiswick residents will be informed of event timings, soundchecks windows and complaint numbers.

Increased number of call handlers on resident line

Improved complaints logging
