FROM THE EDITOR

Dear Friends

I hope you all had an enjoyable Guy Fawkes night. We can now look forward to the festive Christmas events being organised by the Park and Museum.

Many people are making social plans for Millennium New Year's Eve – and it's striking how many involve staying at home in front of the fire with friends and family, or a good book!

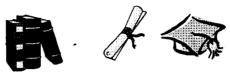

Our Chairman, James Wisdom, was the Guest Speaker recently at the annual highly enjoyable evening of Presentation of Awards for Capel Manor.

By the time this newsletter hits your doormat volunteers will have helped with the annual November Park bulb planting event. We can again look forward to seeing beautiful Spring flowers next year.

Thanks to you all for your helpful correspondence. I have just realised with amazement that the next time I shall be writing to you will be February 2000 – so I shall take this opportunity to wish you all a very Merry Christmas and a Happy New Year!

Ed.

<u>Capel Manor –</u> <u>Presentation of Awards Evening</u>

This annual event was held on 22 October in the Small Mansion Terrace Room in the presence of the Mayor of Ealing and the Mayor of Hounslow. Students had decorated the high-ceilinged room very effectively with dramatic balloon sculptures. As usual, there was a wonderful Buffet and superb flower arrangements.

Capel Manor is impressively expanding and thriving: some Course prize winners were awarded NVQs in Horticulture, Nursery Option, and Floristry. Other successful students gained City & Guilds awards in Balloon Artistry, and Planting, and achieved Royal Horticultural Society General Examination awards.

The Friends of Gunnersbury Park Award is given annually to the student who has contributed most to the Park and to Capel Manor at Gunnersbury. This year it was won jointly by Gina Martin and Bodhi Shaw for the creation of the Eden in the Clouds garden at the prestigious Home & Garden Fair at Olympia.

James Wisdom, Chairman of the Friends of Gunnersbury Park was the Guest Speaker, and gave an erudite and interesting talk about Gunnersbury Park, past, present and future.

Thanks to all at Capel Manor for such a pleasant and informative evening.

INTERVIEW WITH A PARK PERSON...

this week with Café Co-owner, Francesca Corelli

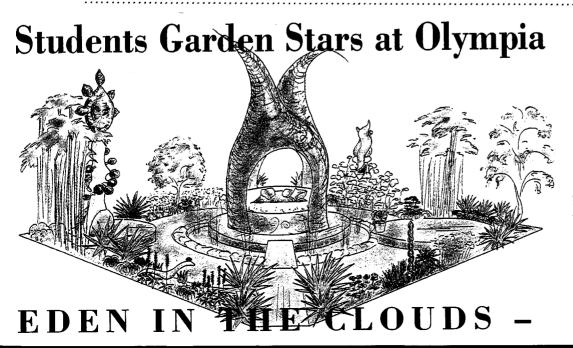

Francesca Corelli and her husband Ernie, 'spelt like the milkman' she says with a charming accent, own the light and spacious coffee shop in the Park. Francesca took over as Manager three weeks ago and the establishment is obviously in capable hands. Francesca has spent 27 of her 46 years running Park cafés. Latterly she was at Richmond Park Café for four years, and Dulwich Park café for eight years.

'We want to look after the public and make the café look nice,' says Francesca of the site at Gunnersbury. They sure do and it certainly does. When Ernie and Francesca took on the business two years ago, they had to work hard, decorating and refurbishing the premises. Now the flowers, clean tiled floor and gleaming tables in the light airy snack bar attract many appreciative Park-users.

Customers' favourite meals are delicious-looking Lasagne (£4.00), Chile con Carne (£3.70) and Full English Breakfast. This last choice boasts egg, bacon, beans, tomatoes, sausage, toast, hash browns and tea or coffee. The shining food cabinets also contain a variety of meals, snacks, drinks and ice-cream. It is open every day, with the highest number of visitors arriving at week-ends. 'Every type of person uses the café – parents, children, young people,' says Francesca happily. Herself the mother of two grown-up sons, Francesca travels to work daily from Kingston. 'Gunnersbury Park café is part of our lives,' she explains.

The Park café is next to the toddlers playground and open Mon – Sat: 9.30am-3.30pm & Sun: 9.30am-4.00pm
